

Annual Report 2008-2009

TODD WEHR FOUNDATION SCIENCE CENTER

WITH SUPPORT FROM
JANE BRADLEY PETTIT FOUNDATION &
PATRICK AND ANNA M. CUDAHY FOUNDATION.

CHEMISTRY

[kern-uh-stree]
The science of the composition, structure, properties, and reactions of matter, especially of atomic and molecular systems.

To keep a lamp burning we have to keep putting oil in it.
—Mother Teresa

PHYSICS

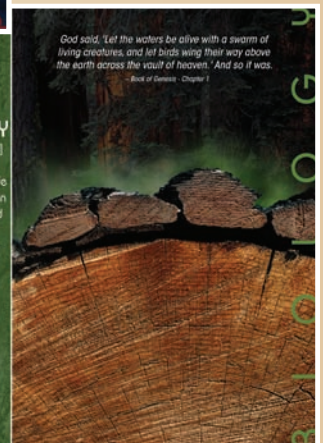

[fi-ziks]

The science of matter and energy and of interactions between the two, grouped in traditional fields such as acoustics, optics, mechanics, thermodynamics, and electromagnetism.

The sun has its own splendour, the moon another splendour, and the stars yet another splendour, and the stars differ among themselves in splendour.
—Book of Ecclesiastes - Chapter 18

BIOLOGY

[bahy-ol-uh-jee]
The science of life or living matter in all its forms and phenomena, especially with reference to origin, growth, reproduction, structure, and behavior.

God said, 'Let the waters be alive with a swarm of living creatures, and let birds wing their way above the earth across the vault of heaven.' And so it was.
—Book of Genesis - Chapter 1

The Future Starts Today

Message from the President

As I reflect on the 2008-09 school year, I am both impressed with our accomplishments and inspired by our challenges. We have reason to celebrate some significant changes that serve to enhance our mission:

In the spirit of St. Joan Antida Throuret, we prepare young women to lead and serve in a global society through a values-based Catholic education.

In spite of significant changes in the economic environment, we were able to complete three new science labs which opened EARLY. At our annual auction/dinner in April, we dedicated our new labs. Representatives from the Todd Wehr Foundation were on hand to celebrate with us. Their generous gift of \$525,000 was the main support for this new commitment to promoting an enhanced, enriched science program for our girls. We all know that women are under represented in the STEM (Science, Technology, Engineering,

dedicated staff and administrations to this new way of transitioning 9th graders into high school has been remarkable. I am in awe of their devotions and tireless efforts to ensure the success of the program. They had barely finished the first quarter of school when they were already working on plans for the 2009-10 school year. Many visitors have spent time observing the Academy and all leave impressed and optimistic about the impact of this new approach. Sr. Jennifer Daul, former Provincial of the Sisters of Charity, joined the Academy team in the role of counselor. We are blessed that she chose to return to SJA after a year long sabbatical in California.

Our existing and new partnerships have continued to support our efforts to prepare our girls for a future as leaders both in our community and beyond. This past year, we finalized a partnership with Three Holy Women Parish. Fr. Brian Mason joined our Board of Directors and became the regular celebrant at our masses. Both he and Fr. Tim Kitzke have been most supportive of our goal to enhance our Catholic identity. Since we had no prior parish affiliation, this was a much needed partnership. RAINBOWS was introduced as a new program to offer our 9th graders support in dealing with grief and loss. RAPPORT LEADERSHIP offered a two day retreat for our students and some of our faculty/staff. During this time, barriers to achieving personal goals and success were identified and broken. PEARLS for Teen Girls, Big Brothers and Big Sisters, and Boys and Girls Club continue to offer a variety of opportunities for our girls. Our volunteer program administered by our volunteer coordinator, Kathy Thome, continues to expand into new areas. The St. Joan Antida High School family is always growing.

All of us have been impacted by the dismal

economy and its ripple effect on so many aspects of our lives. SJA is no exception. Besides the overall loss of financial support from individuals and foundations based on the economic factors, the announcement that CHOICE, the state funded voucher program, would be reducing per pupil financial allotment, came at an already difficult time. Since almost 90% of our students depend on vouchers to attend SJA, this has a significant impact on our operations. Like all businesses and organizations, we have had to make some tough decisions as we go forward. Our students and their needs must guide all decisions. We remained committed to this.

In closing, thank you for your continued support during good times and not so good times. We could not do it without you. You have given of your time and resources and we are grateful always. We keep you in our thoughts and prayers and welcome you into our school family.

Sincerely,

Cynthia A. Marino
President

Our Mission

In the spirit of St. Joan Antida Throuret, we prepare young women to lead and serve in a global society through a values based Catholic education.

(Math) fields. At SJA, we are focused on preparing our girls to compete in these fields. Our Engineering program, Project Lead The Way, continues to grow in enrollment.

The Freshwomen Academy finished its fledgling year. The commitment of the

Deus Solus Award – God Alone

James Holton receiving Deus Solus Award from Sr. Cecilia Tagliavia, SCSJA.

James F. Holton (Jim), President of Dublin Contractors, was the recipient of the 2009 Deus Solus Award. The award presentation was done at St. Joan Antida High School's auction/dinner in April 2009. This award is given to an organization or individual who has shown exceptional support for the mission of the school and the Sisters of Charity which is to serve God Alone.

As a past member of the Board of Directors, Jim with his team from Dublin Contractors, has worked tirelessly to paint the new science labs which have created a much brighter space and has significantly

facilitated learning for our students. Dublin Contractors has also helped with the outside painting and general maintenance of the school building for many years. Jim has quietly given of his time and resources to St. Joan Antida and has supported the Sisters of Charity without expecting any recognition. Family has always been paramount in Jim's life and we were thrilled that Jim's wife Sue and all of their four sons were present when he received the Deus Solus award.

We are grateful to Jim for his support and service, which is always done in the spirit of Deus Solus.

Message From The Sponsor

*To love Christ Jesus
To love and serve the Poor
This is the Charism (Grace) and Mission
which St. Vincent de Paul and
St. Joan Antida received from God.*

As

*Servants of the Poor
Up close and personal
We touch lives
We challenge systems*

Board Chairman, Jerry Vite and Provincial Leader, Sr. Anne Marie Baemmert, SCSJA.

In preparing to write this reflection for the 2008-2009 Annual Report, I read an article written by one of our Sisters, Sr. Wandamaria Clerici, on the philosophy of education of our foundress, St. Joan Antida. I was struck by one line in particular: "Only those who love, educate. God is the true educator because "God is love."

As sponsors, administration, faculty, staff, board of directors and generous benefactors, we are all called to love our God by loving and forming our young women to be the leaders of tomorrow. Their future starts today and so does ours. It is *now* that we are called to love, to form, to collaborate and to educate. Our interest, generosity, and patience are at the core of forming each young woman to be a reflection of the love of God in our world today. What a responsibility! What a privilege!

With much gratitude,

Sr. Anne Marie Baemmert

Sr. Anne Marie Baemmert
Provincial Superior of the
Sisters of Charity of St. Joan Antida

Board Chair Message

We enjoyed many successes during the last school year. New classrooms, strong community partnerships and the inception of our Freshwoman Academy. Our responsibility is to take those successes and provide an environment that empowers our students to take advantage of the opportunity and challenges they will confront after leaving school.

St. Joan Antida High School has a wonderful legacy of cultural diversity and academic achievement. The Sisters of Charity had the vision to open a school built on bedrock of values and Catholic teachings. In today's complex world these values and teachings are needed more than ever. Our administration, faculty and volunteers work each day to transform our students into successful, confident women, capable of leading in a global society.

Thanks to all of you who have supported St. Joan Antida High School during the past year. You are making a difference in the lives of our students. With your help our young women can convert their dreams into goals and those goals into plans for their future.

Sincerely,

Jerry Vite

Jerry Vite, Board Chairman

Volunteers 2008-2009

St. Joan Antida High School is truly grateful to all who help our students more fully realize their potential. We are especially thankful for our Volunteer Coordinator, Kathy Thome, for her commitment to the girls of SJA, the future leaders of our city and beyond. Our volunteers assist with advancement activities, tutoring, mentoring, and academic activities.

Graduation 2009

What an honor it was to graduate the 51st class from St. Joan Antida High School. Many of the graduating seniors will be attending institutions of higher learning and received over \$450,000 in scholarships to continue their academic careers. It was an honor to have Ana Schuessler as the Valedictorian of the Class of 2009.

Schools chosen by the Class of 2009:

Alverno College
Cardinal Stritch University
Concordia University
Lakeland College
Marquette University
Mt. Mary College
Marian College
Milwaukee Area Technical College
Wisconsin Lutheran College
UW-Madison
UW-Milwaukee

Out-of-State Colleges:

Belhaven College, MS
Benedict College, SC
Lane College, TN
Middle Tennessee State University
Sarah Lawrence College, NY
University of Indianapolis
University of Minnesota-Twin Cities

St. Joan Antida High School has a brand new school logo! We hope you like our updated look and would love to hear your responses

(email us at stjoans@saintjoanantida.org).

Thanks!

About Sr. Monica Fumo

Born to an Italian immigrant family in Kenosha in 1941, Judith Ann Fumo was welcomed by three brothers old enough to serve in the armed forces during World War II and a sister already in college. Judith Ann entered the community of the Sisters of Charity of St. Joan Antida in 1960 and became Sr. Monica in 1962. She attended Mt. Mary College and Marquette University. Initially a French and music teacher at SJA, she also served as Vice Principal, Principal, President and Chancellor. During her almost 40 years of service, Sr. Monica has become known to students, alumnae, benefactors and staff members alike as the “heart and face” of St. Joan Antida High School.

Do ^{Not} Save The Date

Because of the challenging economic times and because we are good stewards of your money, the annual President's Forecast event will NOT take place this year. But we still want to celebrate you as a valuable member of the Sr. Monica Fumo Society. Sister Monica—an institution at St. Joan Antida High School—will host a reception especially for you at the school's annual fall festival at 3:30 pm, on Sunday, November 8. Please join Sr. Monica and Cindy Marino for a very special spaghetti dinner, a glass of wine and some wonderful conversation.

Science Lab Donors

Todd Wehr Foundation + Jane Bradley Pettit Foundation + Patrick and Anna Cudahy Foundation + Phyllis Piano

Teddi Kennedy, Board Member, Allan Iding, Todd Wehr Foundation, Cindy Marino, SJA President, Richard Harland, Todd Wehr Foundation.

In our effort to continue to focus on enhancing STEM (Science, Technology, Engineering, Math) programs, St. Joan Antida has brand new science labs that have been instrumental in providing state-of-the-art instructional opportunities for our girls. Our labs are more spacious than ever before, have safety features like fume hoods for ventilation, and teaching aides such as document readers and smart boards. According to Claire Marshall, class of 2009, “These new science labs really facilitate my learning, much better than the old ones. They're bigger, brighter and filled with the latest equipment. It is a joy to learn in them.”

Benefactors

St. Joan Antida proudly recognizes and honors the individuals, corporations and foundations whose outstanding generosity demonstrates a commitment supporting our vision to prepare young women to lead and serve in a global society.

The Sisters of Charity of Saint Joan Antida are the sponsors of the school and by giving tirelessly of themselves and their resources, they not only provide a values-based educational experience for our young women but also build in them a strong moral compass, with an emphasis on respect, responsibility, relationships and commitment to serve.

We are truly grateful for the generous contributions of our Sisters.

Holly & Patrick Ryan Scholarship Fund

The Holly and Patrick Ryan Scholarship Fund was established by Christopher Doerr at St. Joan Antida's Annual Auction and

Dinner. Holly has been a long-time supporter of the school and has served in various capacities, such as co-chairing the auction, hosting monthly leadership luncheons and individual tutoring. Pat Ryan, former Chairman and Managing Partner for Quarles & Brady strongly believed in equality and equity for all. In Chris Doerr's words: "Pat

Ryan was more than just a "first class" attorney. He was a dear friend and, first and foremost, was always about "doing the right thing". He always had a special place in his heart for females, particularly those who might have otherwise been disadvantaged in terms of their educational or career opportunities. I feel privileged to have been fortunate enough to make a gift to St. Joan Antida in his name which very quickly tripled in size. Pat, along with his wife Holly, should be justifiably proud of this legacy which provides quality education for young women."

The fund will continue to grow through individual and corporate contributions.
